POLIS

CITIES AND REGIONS FOR TRANSPORT INNOVATION

Main challenges & policy goals

Urban mobility accounts for 40 % of all CO2 emissions of road transport and up to 70 % of other pollutants from transport.

DECARBONISATION

DEATH IN THE AIR

→ AIR POLLUTION COSTS MONEY AND LIVES ←

IMPROVE AIR QUALITY

A LEADING KILLER ACROSS THE GLOBE

The loss of life due to air pollution is causing human suffering and reduced economic development.

**1 IN 10 DEATHS
WORLDWIDE IS
ATTRIBUTABLE TO AIR
POLLUTION EXPOSURE.**

**MODAL SHIFT
BEHAVIOUR CHANGE**

SAFER ROADS VRU

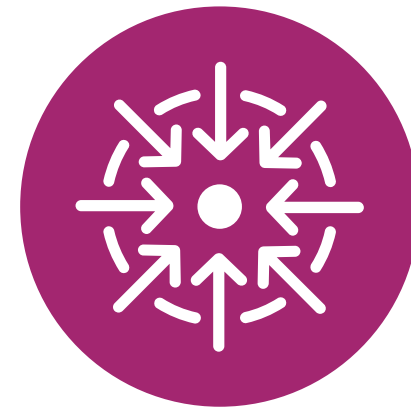

Our pillars

**Environment
& Health**

**Traffic
Efficiency**

Access

**Safety &
Security**

**Governance
& Integration**

Our working groups

Environment & Health

Active Travel & Health
Clean Vehicles & Air Quality

Traffic Efficiency

Traffic Efficiency (ITS, traffic
management, automation, MaaS,
data,...)

Access

Access (public transport,
infrastructure, pricing...)
Parking

Safety & Security

Safety & Security
(street and road
safety, protecting
vulnerable users,
gender...)

Governance & Integration

Governance & Integration
Urban Freight
Small and medium sized cities
platform

European projects & funding

- We work to make research and innovation in transport accessible to cities and regions.
- We actively support the participation of our members in EU-funded projects.
- We facilitate dialogue and exchange between local authorities, the transport research community and the industry.

EUROPEAN **MOBILITY** WEEK
16-22 SEPTEMBER 2019

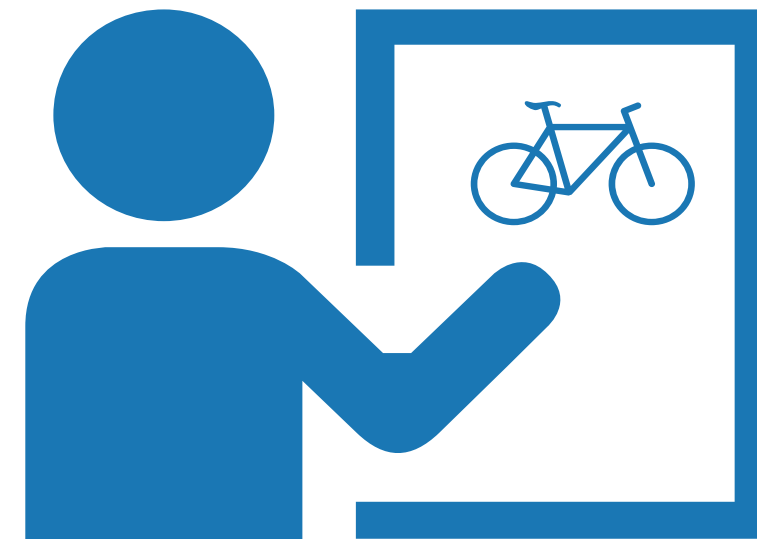

... and many more

polisnetwork.eu/what-we-do/eu-projects

Policy & Advocacy

75%
EU legislation is
implemented locally

European Council
Council of the European Union

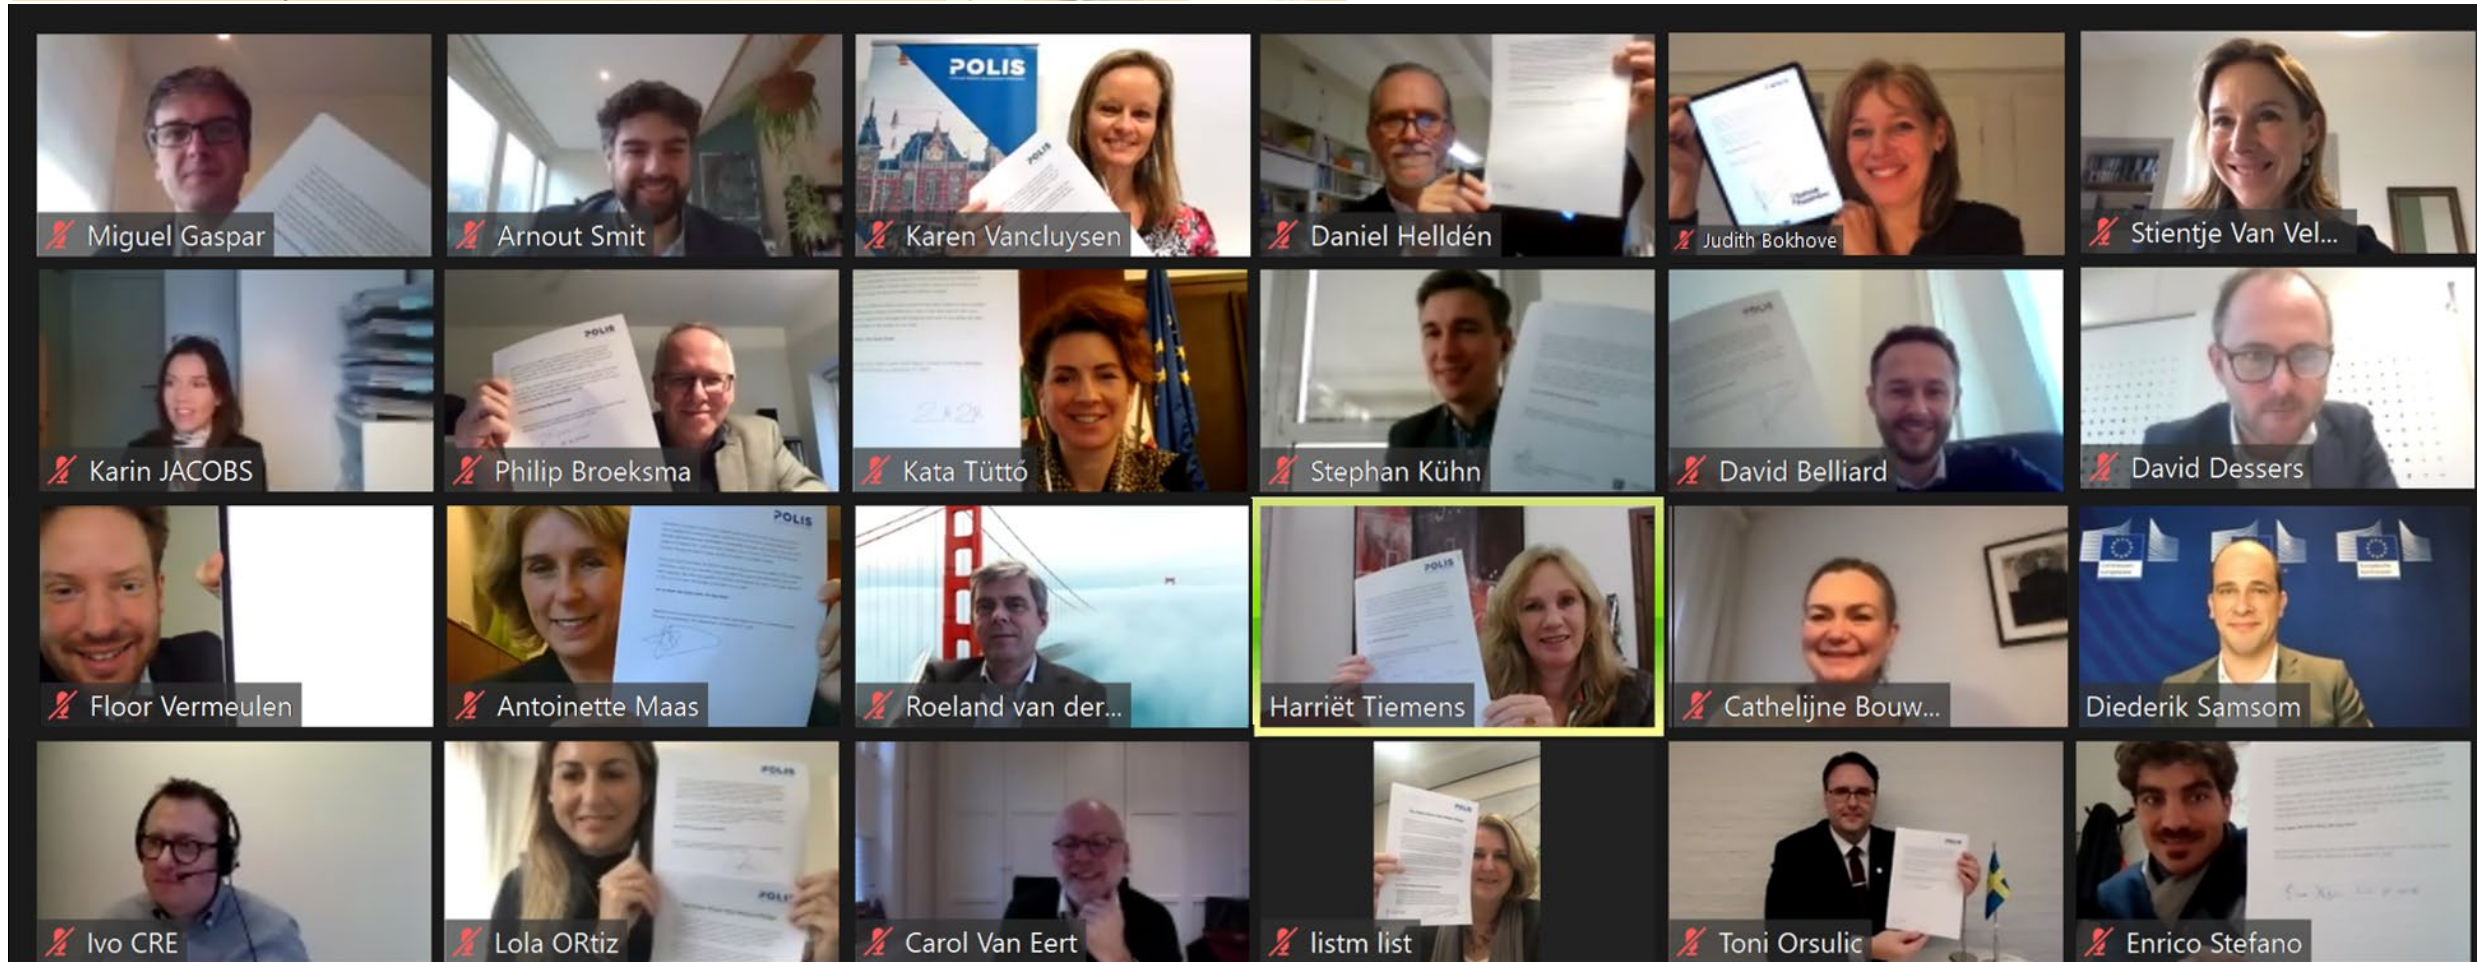

European Parliament

European
Commission

The voice of cities and regions

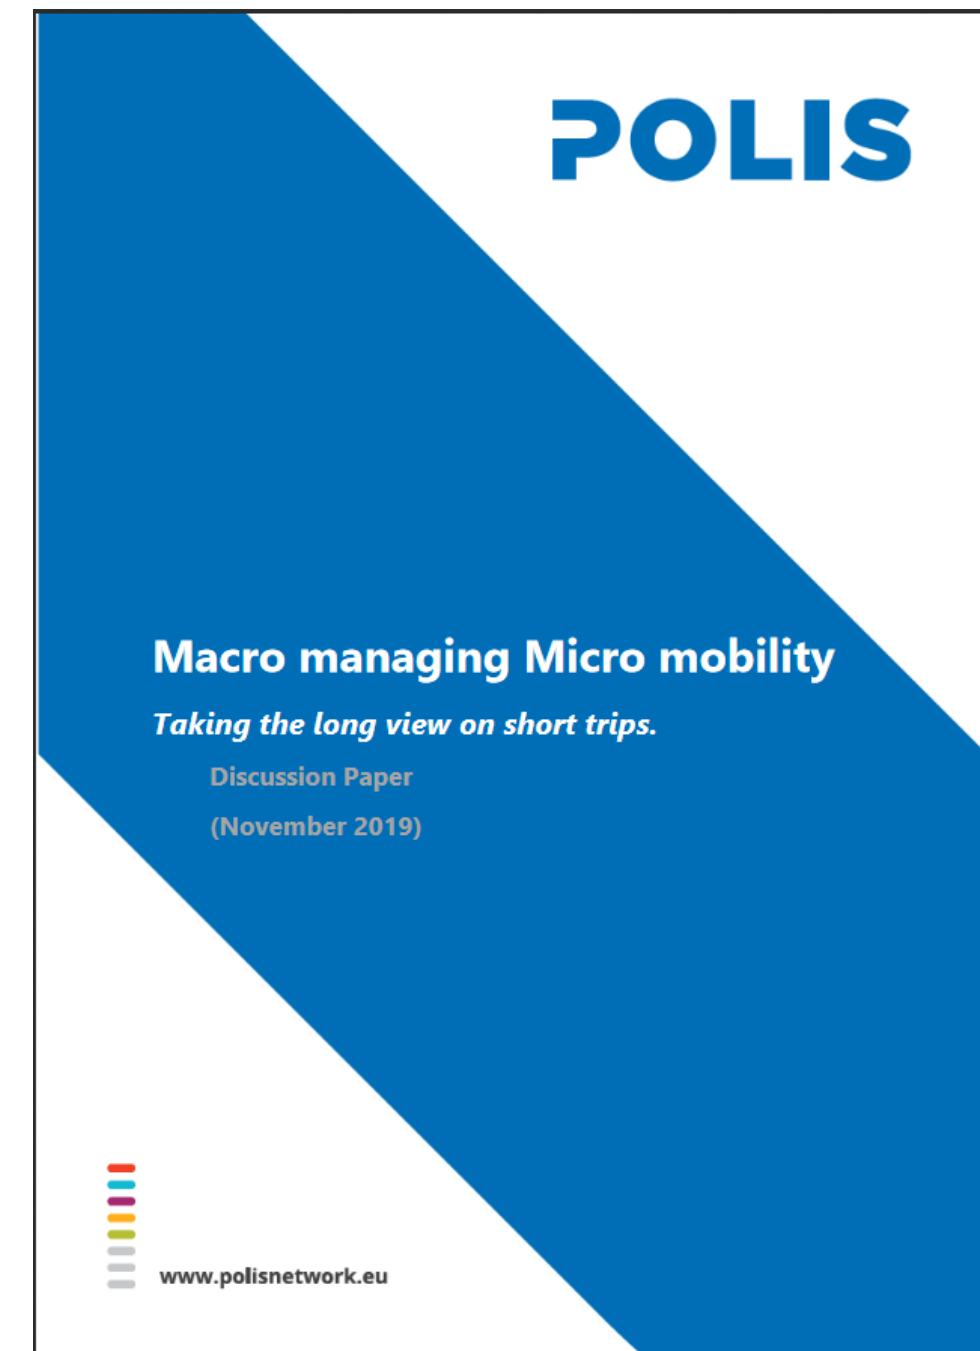

- POLIS Political Group
- Position papers & policy documents
- We represent local/regional authorities during EC consultations, towards EP, EC, EESC, CoR
- Leading the ERTRAC Urban Mobility Working Group, defining research priorities on sustainable urban mobility for EC funding programmes

Our position and discussion papers

- Datasharing for Shared Mobility
- The Urban Green-Deal Makers Pledge
- Macromanaging Micromobility
- The New Paradigm for Safe City Streets
- Local opportunities for digital parking
- Road Vehicle Automation
- Mobility as a Service
- The role of transport in Smart Cities
- Securing the health benefits of active travel

POLIS

BECOME A POLIS MEMBER

WHY BECOME A MEMBER

Joining **POLIS** brings you to the centre of the European urban mobility community.

NETWORK

Get to know your peers and learn from other cities and regions across Europe.

RECEIVE SUPPORT

Receive support to access and join European initiatives & transport projects.

ENGAGE IN PARTNERSHIPS

Engage in partnerships with industry & research organisations towards the deployment of innovation.

MAKE YOUR VOICE HEARD

Make your voice heard in European transport policy.

www.polisnetwork.eu/become-a-polis-member/

POLIS is the network of European cities and regions cooperating for innovative transport solutions

Discover what we do to make transport in cities and regions
more sustainable, efficient and safe.
